

# How Is Empower Me Any Different from Other Service Providers?

We don't just roster any a Support Worker to work with **YOU**, we give **YOU** the choice to choose who **YOU** believe **YOU** will be most compatible with

Empower Me will contact **YOU** within 24-48 hours of receiving your details requesting our service.

A meeting is arranged between Empower Me & **YOURSELF** (or relevant nominee/carer) to discuss **YOUR** NDIS goals, and Support Worker preferences eg. sexuality, age, experience, background etc.
